

Get your Monster Munch face mask on!

- Firstly cut out the mask following the dotted line.
- Make some eye holes by carefully pushing a pencil through the marked areas.
- Attach some elastic to the back of the mask with sticky tape, approximately 10cm in from the sides.
- Put on your monster face and let the fun begin.

The diagram shows the back of the mask with two points labeled 'BACK OF MASK' and a line labeled 'ELASTIC' indicating where to attach the elastic.
